PERSONAL PROJECTS

Aniquote (05/2023 - 05/2023)
- Aniquote: Anime Info and Famous Quotes at Your Fingertips. Explore anime, discover info on your favourite series, and indulge in famous anime quotes all in one place.With Aniquote, you can easily search for any anime and get up-to-date information on the latest news, characters, and more.
- https://zeref101.github.io/Aniquote/

Pig Game (04/2023 - 04/2023)
- Players take turns to roll a single dice as many times as they wish, adding all roll results to a running total, but losing their gained score for the turn if they roll a 1.
- https://zeref101.github.io/Pig-Game/

My Portfolio (02/2023 - 02/2023)
- I have designed this website to highlight my projects and achievements, as well as provide a glimpse into my personality and work ethic. From competitive programming to collaborative projects, I am excited to share my journey with you. Take a look around and let's connect to discuss how we can work together to bring your ideas to life.
